Holly Green	Noah Broadley
Sophie Bromwich	Max Kpai
Lucas Pate	Isabella Brunt
Ellen Burke	Christopher Lundrigan
Jessica Kelly	

All of Mr Bedford's Y5 maths group

Book Fair

Thank you to those parents and children that bought books at the Book Fair. Approximately £400 of books was sold which also raises money in commission for the school to purchase books.

SATS Meeting for Y2 Parents

Thank you to those parents who were able to join us for the SATS meeting yesterday. We hope you found it useful.

Communications with Staff

Parents are reminded that if they have any queries or matters they wish to discuss about their child it should be done via school with the appropriate member of staff, rather than via personal text message to members of support staff. There have been a few incidents of this recently and we would ask parents to respect this professional boundary. Thank you.

Y5's Terrific Scientific Experiment

Year 5 took part in the BBC's experiment "Are you a Supertaster?" this week. Beth McConnell reported "we put blue food colouring on our tongues and counted the amount of fungi-form papillae (which contain our tastebuds) to see if we were a supertaster, non-taster or a taster. Only 1 in 4 was supertasters, 25% were non-tasters and 50% were tasters. It was a fun experiment."

Sports Hall Athletics

Nineteen children from Y5 and 6 took part in a Sports Hall Athletics Tournament on Monday afternoon at Oakland's College. The children competed in a variety of sports including running events and various field and athletic events, such as soft javelin throw and standing long jump. Six other schools took part on the night and fourteen schools over the two nights the tournament ran. Unfortunately the team just missed qualifying for the next round, but performed very well, as many of the teams came from larger schools. Well done to everyone who took part.
