Y5 trip

Y5 visited Hendon Air Museum on Tuesday and took part in an air raid. Ben Pearman reported "we went to the RAF Museum as we are learning about the Battle of Britain in our History work. We found it enjoyable to learn about our ancestors and what they had to do in order to survive during WW1 and WW2. We walked around looking for different planes to tick off and write a fact about. We also looked at some of the artefacts from the war. We all had fun and found it interesting."

E-Safety Day

As part of "safer internet day", each class had a session with Internet safety advisor, Peter Lillington. The focus was the safe use of photos online. Thank you to those parents who were able to join us for the evening session.

RE Focused Workshops

The children enjoyed RE focussed theatre workshops on Monday to support their spiritual development. Y3&4s, for example, was about the importance of spiritual gifts. Thank you to those parents who were able to join us for the assembly.

Red Nose Day

We will be participating in Red Nose Day on Friday 24th March, raising money for good causes, by inviting the children to wear mufti clothes. The School Council have plenty of Red Noses to sell so if your child didn't get the chance to buy their nose today at school, please don't buy one from Sainsbury's over half term or otherwise the office will remain buried in red noses for the rest of the year!

Netball Report

St Adrian's played St John Fisher School on Monday. St Adrian's played amazingly well, beating their opponents 10:1. Jessica Kelly captained the team for the first time. The team now have two league netball matches left.

Football Report

St Adrian's played Fleetville School on Thursday in a friendly match. For a lot of the boys it was their first time representing the school and they did very well. Unfortunately though, the team lost 2:0. Well done to everyone who took part.

St Stephen Neighbourhood Plan

St Stephen Parish Council (which encompasses the villages of Bricket Wood, Chiswell Green and Park Street) is currently developing a Neighbourhood Plan for the Parish. Parishioners are invited to have their say on how the area will develop over the coming years – log onto www.surveymonkey.co.uk/r/ParishNPlan

Speed Stacking

Freya Lewis, Gabby Bradley, Olivia Patterson, Nelleke Vlijter, Roshan Thenuwara, Joe Cox, Nathan Karsey-Alonso and Dante Heading took part in a Speed Stacking competition at Garden Fields School on Wednesday with other local schools. In the '3:3:3' and '3:6:3' relays they all performed very well and worked excellently as a team but unfortunately no one came home with a medal. Well done to them all.
