

Letter to Father Christmas

Dear Father Christmas,
I do hope you are keeping well. Thank you for the lovely presents you left under our Christmas tree last year. My favourite was the painting set, as art is my absolute best lesson at school.

I know this is a very busy time for you so I will try not to take up too much space with this letter. My Mum says I have been very good this year and so I can ask for something very special. All my friends like computer games better than anything but I would rather have a Hornby train set.

On holiday in Devon this summer my Dad took me to see a model railway exhibition. There were lots of trains running past miniature buildings. There were even tiny people standing on the station platform. My Dad said he would help me build a railway on a big board if I got a train set for Christmas. We could even build hills and trees to make it look realistic.

I could also do with a new football kit. In case you had forgotten, Manchester United is my favourite team. A new football would be useful as well. I love reading so any adventure book particularly Harry Potter would be great. I love sweets and any extra bits of Lego would also be great.

Finally, if you had a spare game for my computer that also would be very welcome.

Love from Daniel.

P.S. I will leave out a carrot for Rudolf and a mince pie for you!
