# Year 2 Spelling

## Spring half-term homework

You will be tested on a selection of these words in the first week back.

This is the list of what are known as 'common exception words' that children in Year 2 are expected to know how to spell.

Please read this list of words to your child and ask them to spell each one for you. Put a mark next to any that they can't spell correctly without help, then practise these words until they have learnt them. These words will be added into the normal weekly spelling test between now and the end of the year.

door		every		move	
floor		everybody		prove	
poor		even		improve	
because		great		sure	
find		break		sugar	
kind		steak		eye	
mind		pretty		could	
behind		beautiful		should
