

St Adrian's Catholic Primary School Parent Teacher Association

Registered Charity No. 1062351

**Did you know that every parent at St Adrian's automatically becomes a member of our PTA?
How active you are as a member is up to you.**

Your PTA raises around **£15,000 per year**, making it one of the most successful in the county! Together, we help our children 'get ahead' by enhancing their educational and wellbeing experience at St Adrian's.

Your PTA funds equipment and teaching aids that exceed regular school budgets, which recently included 64 Chromebooks, new junior playground equipment and new assembly hall audio/visual kit. PTA funds will also be used to make further improvements to the infant playground shortly.

PTA funds also supplement coaches and school trips, lowering costs for everybody. Your PTA also helps fund a pioneering mathematics teaching system used at the school and cover the ongoing costs of the new school WIFI system.

There are lots of ways to get involved with the PTA, including volunteering your time at fundraising events, donating prizes, baking cakes and buying/selling raffle tickets. We also accept donations directly. There are a number of ways to stay in touch:
