

St Adrian's Weekly Bulletin- Friday 12th May 2023

Dear Parents and Carers,

It has been a fairly quiet week in school with all of the children in Year 6 sitting their SATs tests. I want to say how incredibly proud I am of all of them as they have worked extremely hard in preparation for them. I know that they have all made good progress and regardless of the results in July, they can be proud knowing that they gave it their all. Well done Year 6. Thank you to all the staff who have helped prepare them for these tests and on their journey through St Adrian's.

The next big event is PGL on Monday, which I know the children are buzzing about. I am sure it will be a great week. Just a reminder that Mrs Hayes will be accompanying Mr Hayes and so too will Mrs Gallaher for the start of the week and I will be there for the end of the week when Mrs Gallaher returns. Both Mrs Gallaher and myself will be covering Year 2 that week and so will be unable to have any parent meetings during the day.

NO GARDENING CLUB

There will be **NO** gardening club on Monday 15th May as Mrs Hayes is accompanying the Year 6 on their residential trip.

CALLING ANY BUILDERS!!

Could you or someone you know help with a project in moving our P.E shed to a different part of the playground? We have been instructed, for health and safety reasons, that the wooden shed should be moved further from the school building.

What is required?

The shed would need to be deconstructed, a 100mm concrete base laid and then the shed rebuilt again. Have you the capacity to help with this or know someone who would be able to assist? If so, please can you contact the office with a quote. Budgets are tight and sadly the quotes we have been given are out of our price range. Any help and support with this would be greatly appreciated!

GENTLE REMINDERS

Please can I remind you that mobile phones are not permitted to be used on school premises (aside from taking photos of children's performances). When collecting or picking up your child, please refrain from talking on your phone and try to give them your full attention. They are always very excited to see you and tell you about their busy day.

In school, we aim to encourage the children to eat a healthy, balanced diet but more and more frequently when monitoring the lunch hall, we are seeing children bring in sweets, chocolate and crisps. Perhaps a piece of fruit or rice cakes would be a better substitute as too often many children are eating chocolate and crisps daily.

Finally, please can you ensure that your children do not play on the equipment before or after school. For insurance purposes, they are not permitted to play on the equipment at these times as a teacher is not supervising.

PTA UPDATE

Hi all,

Happy Friday!

A reminder that **FAMILY BINGO** will be on tonight, **Friday 12th May** from 6pm to 8pm. We are looking for raffle donations, prize donations and volunteers so let us know if you're able to help.
