

## **St Adrian's Weekly Bulletin- Friday 22nd September 2023**

Dear Parents and Carers,

### **MANY, MANY THANKS**

To say we were lucky with the weather for the fair last Saturday was an understatement. What a gloriously sunny day it was, followed by monsoon rain!! Thank you to everyone involved in making it such a success. Thanks also for all the fundraising over the last year. We have been able to pay for many things in school such as trips, workshops, our maths scheme, books and the school wifi to name but a few. The library reached completion in October last year and without your help, that would not have been possible. With PTA donations from last year, we have just purchased 10 brand new 256GB ipads and a charging trolley that will allow the children to make films and animations in their computing lessons. We would like to get another 5 perhaps later in the year, so your continued support is as always very, very much appreciated. A long term project to focus on is to raise funds to get a trim trail / climbing frame in the key stage 2 playground area so that will be our next big ask. THANK YOU!

### **PTA NEWS**

#### **Thank you**

A message from the PTA to thank all those people last weekend that volunteered, attended and gave up their time to help at the summer BBQ. It was a wonderful afternoon and the sun decided to shine for us! We are still finalising numbers so should be able to tell you next week how much money we have raised.

#### **50 Club**

Just a little reminder for those people that have signed up or have kept their numbers for the year. Could you please make sure you have transferred or set up your standing orders for the year so we can do the 50 club draw for September. Many thanks.

### **GREEN SHOOTS GARDENING CLUB**

Do your children love to get out and about in the garden? Then this is the club for them. Have fun all over the school grounds, planting and caring for many different plants as well as the birds and insects that live around us. This year, we hope to do lots of activities as part of the RSPB's Wild Challenge. (Please note that Year 1 children can join in the Spring term). The price for the winter term is £72 and you can sign up on Arbor. I look forward to seeing you there. Mrs Hayes
