Welcome from your PTA

Dear parents, carers, volunteers and helpers,

Thank you for joining us at St Adrian's Christmas Fair 2023!

Today is one of our largest school events of the year, where we join to celebrate the magical period of Christmas together, whilst raising funds for our wonderful school and children.

Without these events, the PTA would be unable to continue supporting the school in the way that we do. The PTA contributes annually towards the school WIFI costs, the coaches that take children on school trips and to swimming lessons and for the maths programme used by the children in school. In September 2023, we provided £6,000 to fund the purchase of 16 new iPads for our children to use and improve access to the curriculum. Throughout this school year, we are aiming to raise money for a new Trim Trail in the junior playground.

None of this would be possible without your continued support and generosity. Special thanks must go to the PTA committee and class volunteers who have offered their time and ideas to make events like this a continued success.

We hope you have an enjoyable afternoon and wish you all a Merry Christmas and a Happy New Year!

Emma and Donna, PTA Co-chairs

SORT

& DECLUTTER

TIDY SPACE. HAPPY MIND.

Declutter your home and let positive change back into your life.

We've all got corners of the house that we've been meaning to tackle for ages. But time and again we close the door and promise to do it later.

Not any longer – let us turn that “later” into now! Our personalised and discreet service removes this stress whilst transforming your space into something you've always imagined.

We'll get it sorted (& decluttered), allowing you to enjoy your newfound calm and order.

Contact us now and take the first step
towards an organised, practical,
and beautiful space.

St Adrian's School Choir

The fabulous children of St Adrian's School Choir will perform in the school hall at 3pm! As well as some heart-warming Christmas songs, prepare yourselves for a sneak peak of what they are busy rehearsing to sing in the Young Voices Concert at the O2 Arena in January.

The choir is open to children in years 3-6. They rehearse after school on Tuesdays until 4.15pm. This academic year the children have entertained the OAP lunch club at Holy Trinity Church in September, they are due to sing at Vesta Lodge in December, the O2 arena in January and the Alban Arena in March. Last July the choir raised £1,000 for the PTA with its performance of Peter Pan The Musical.

Singing and children should always go together. Singing in a group increases sensory development, encourages creative expression, improves speech and language skills, builds self-esteem and supports good mental health. Most importantly it's great fun and (within reason?!) is a time when it's ok to make lots of noise and let go! Contact Victoria on 07974666843 to see if there is a space for your child.
