

WELL DONE TO GREEN SHOOTS GARDENING CLUB!!

This term, we have been very lucky with the weather for our Green Shoots Gardening Club. We have planted up colourful winter bedding, daffodil bulbs and onion sets and moved lots of plants ready for them to fruit or flower next year. We have also had lots of fun topping up the raised beds with new soil, so that the plants will be healthy. We made lavender bags from the lavender that we harvested in the autumn and got really creative when we made our own Christmas wreaths from plant stems and evergreen leaves.

Our wonderful gardening skills have been rewarded as we have earned Level 2 of the RHS Gardening Award and we are very proud of this achievement.

Gardening Club will start again in the second half of the spring term and you can book your place on Arbor now (£30 for 5 Mondays). We look forward to seeing you there!
