It also considers the DfE statutory guidance "[Keeping Children Safe in Education](#)" 2021 and "[Sexual violence and sexual harassment between children in schools and colleges](#)" guidance. 5) Definition of Bullying

- Bullying can be defined as *‘behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally’*. DfE ‘Preventing and Tackling Bullying
- Bullying can include physical and emotional abuse such as name calling, taunting, mocking, making offensive comments, kicking, hitting, taking belongings, producing offensive graffiti, gossiping, peer isolation (e.g. excluding people from groups) and spreading hurtful and untruthful rumours.
- The same unacceptable behaviours can be expressed online; this is sometimes called online bullying or cyberbullying. Specifically this can include sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.
- St Adrian's recognise that bullying can be emotionally abusive and can cause severe and adverse effects on children’s emotional development.
- Bullying is recognised by St Adrian's as being a form of peer on peer abuse; children can abuse other children.
 - o Abuse is abuse and it should never be tolerated or passed off as “banter”, “just having a laugh” or “part of growing up”.
 - o We recognise that even if there are no reports of bullying, it does not mean it is not happening and it may be the case that it is just not being reported.
 - o All victims will be taken seriously and offered appropriate support, regardless of where the abuse takes place.

6) Forms and Types of Bullying Covered by this Policy

- Bullying can happen to anyone. This policy covers all types and forms of bullying including but not limited to:
 - o Bullying related to physical appearance
 - o Bullying of young carers, children in care or otherwise related to home circumstances
 - o Bullying related to physical/mental health conditions
 - o Physical bullying
 - o Emotional bullying
 - o Sexualised bullying/harassment
 - o Bullying via technology, known as online bullying or cyberbullying
 - o Prejudiced-based and discriminatory bullying (against people/pupils with protected characteristics) which may include:

- Bullying related to race, religion, faith and belief and for those without faith
- Bullying related to ethnicity, nationality or culture
- Bullying related to Special Educational Needs or Disability (SEND)
- Bullying related to sexual orientation (homophobic/biphobic bullying)
- Gender based bullying, including transphobic bullying

7) School Ethos

- St Adrian's community recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing.
- By effectively preventing and tackling bullying our school can help to create a safe and disciplined environment, where pupils are able to learn and fulfil their potential.
- ***Our Community:***
 - Understands the importance of challenging inappropriate behaviours between peers.
 - Monitors and reviews our anti-bullying policy and practice on a regular basis.
 - Supports staff to promote positive relationships to help prevent bullying.
 - Recognises that some members of our community may be more vulnerable to bullying and its impact than others; this may include children with SEND. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
 - Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
 - Ensures our pupils are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
 - Requires all members of the community to work with the school to uphold the anti-bullying policy.
 - Recognises the potential impact of bullying on the wider family of those affected so will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages.
 - Will deal promptly with grievances regarding the school response to bullying in line with our complaints policy.
 - Seeks to learn from good anti-bullying practice elsewhere.
 - Utilises support from the Local Authority and other relevant organisations when appropriate.

8) Responding to Bullying Concerns

- The following steps will be taken when dealing with any incidents of bullying reported to the school:
 - If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.

- o The DSL will be informed of all bullying concerns, especially where there may be safeguarding issues.
- o The headteacher, Designated Safeguarding Lead (DSL) or another appropriate member of leadership staff will interview all parties involved.
- o A clear and precise account of bullying incidents will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.
- o The school will speak with and inform other staff members, where appropriate.
- o The school will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with child protection and confidentiality policies.
- o Appropriate sanctions and support, for example as identified within the school behaviour policy and child protection policy, will be implemented in consultation with all parties concerned.
- o If necessary, other agencies may be consulted or involved, for example the police if a criminal offence has been committed, or Children's Services if a child is felt to be at risk of significant harm.
- o Where the bullying of or by pupils takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated and responded to in line with this policy and the school behaviour policy. If required, the DSL will collaborate with DSLs at other settings.

Cyberbullying

- When responding to cyberbullying concerns, the school will:

 - o Where an individual can be identified, the school will ensure that the school's behaviour policy is

applied.

- o Inform the police if a criminal offence has been committed.
- o Provide information to staff and pupils regarding steps they can take to protect themselves online. This may include:
 - advising those targeted not to retaliate or reply.
 - providing advice on blocking or removing people from contact lists.

Supporting Adults

- Our school takes measures to prevent and tackle bullying among pupils; however, it is equally important to recognise that bullying of adults, including staff and parents, whether by pupils, parents or other staff members, is unacceptable.

- Adults who have been bullied or affected will be supported by:
 - o Offering an immediate opportunity to discuss the concern with the designated safeguarding lead, a

- senior member of staff and/or the headteacher.
 - Advising them to keep a record of the bullying as evidence and discuss how to respond to future concerns.
 - Where the bullying takes place off school site or outside of normal school hours (including online), the school will still investigate the concern and ensure that appropriate action is taken in accordance with the schools' behaviour and discipline policy.
 - Reporting offensive or upsetting content and/or accounts to the service provider, where the bullying has occurred online.

 - Recognise that bullying can be perpetrated or experienced by any member of the community, including adults and children (peer on peer abuse).

 - Recognise that bullying may be affected and influenced by gender, age, ability and culture of those involved.
 - Openly discuss differences between people that could motivate bullying, such as: children with different family situations, such as looked after children or those with caring responsibilities, religion, ethnicity, disability, gender, sexuality or appearance related difference.
 - Challenge practice and language (including 'banter') which does not uphold the school values of tolerance, non-discrimination and respect towards others.

 - Celebrate success and achievements to promote and build a positive school ethos.

Policy and Support

- The whole school community will:

Education and Training

- The school community will:
