

**CARE FOR CREATION**

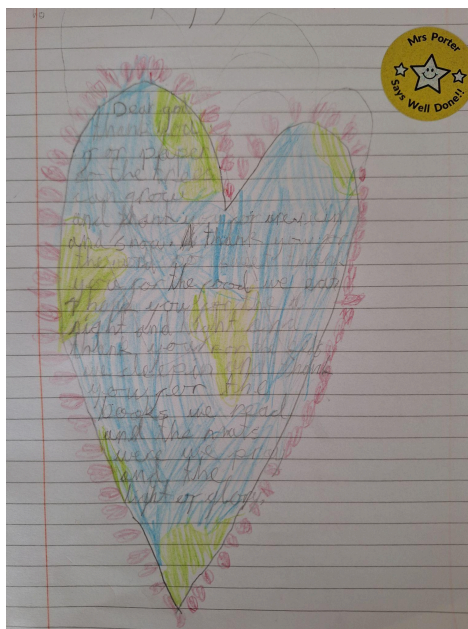

As you will have read in the new monthly R.E newsletter sent earlier today, the children have been learning about how to care for creation. We must all listen carefully to the words of Pope Francis' epistle letter called 'Laudato Si' asking us to care for our common home. We have a duty to be stewards of the earth and care for the world and all its creatures. Thank you to those children who did some artwork for our whole school display.

Well done to Kabir who also wrote a beautiful prayer.

*'Dear God,*

*Thank you for the paper that we get from the trees. Thank you for the rain and snow. Thank you for the world so sweet and thank you for the food we eat. Thank you for the night and the light. Thank you for the beds we sleep in. Thank you for the books we read and for your light and glory' Amen*
