

Dear Parents and Carers,

FAMILY DAY CELEBRATION

Today, we held a wonderful family celebration day to think about all those who care for us. The children sang beautifully and performed their songs with confidence. Wishing all the dads, step dads, foster fathers, granddads and caregivers a very Happy Fathers' Day this Sunday. We also remember those fathers who may no longer be with us. May they rest in peace.

CARITAS CELEBRATION AT WESTMINSTER CATHEDRAL

On Wednesday, the Caritas Ambassadors travelled to Westminster Cathedral to take part in the Caritas Celebration. Our school was chosen out of 20 schools attending to speak about the Easter bingo project that they did. Well done to our Head boy and Head girl, Darragh and Seren who spoke so confidently about the project in front of the whole congregation of the cathedral. The children all behaved wonderfully and were true ambassadors for the school.

SECONDARY SCHOOL TRANSITION WORKSHOP

For parents and carers of current Year 6 pupils, please see the attached leaflet regarding a workshop that we will be holding for you as you prepare for your children to move onto secondary school. The workshop will be run by Vista Family Services on **4th July from 9.15-11.15** in the school hall to discuss many ways you can support your child to make their transition from primary school to secondary school successful and smooth.

There will be tea and coffee available once you have dropped off your child at school that morning.

Please can you confirm your attendance by emailing the school office so we have an idea of how many people to expect: admin@stadrians.herts.sch.uk Thank you to the parents who have already done so.

SCHOOL PHOTOGRAPHY AND VIDEO

This is advance notice that a professional photographer will be visiting the school on **Friday 20th June** to take photos of the school and the children to eventually be published on our website. If you do not wish for your child's photo to be taken, please confirm this with the classteacher. No names will ever be published with the photos. Weather permitting, we may also use a drone for some video footage.

As a side note, we recently used a new photography company for class photos and they gave us a free 360 degree school tour, which we will publish on the website as well.

Have a look!

CATHOLIC LIFE

WEDNESDAY WORD

The Wednesday Word is a gift to families because of their connection with a Catholic school.

Every Wednesday a 'word', inspired by the coming Sunday's Gospel, will be suggested for families to talk about in the home. The *Wednesday Word* Family Time leaflet presents an opportunity for even the

busiest of parents to enrich relationships with their children through spending a very special 10 minutes together each week.

Follow the link to find this week's Wednesday Word: <https://wednesdayword.org/home/index.htm>
